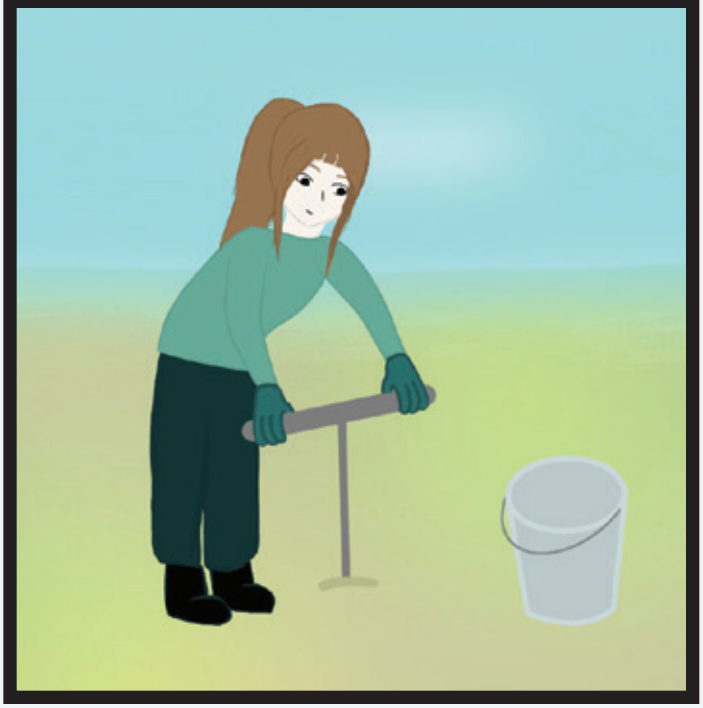
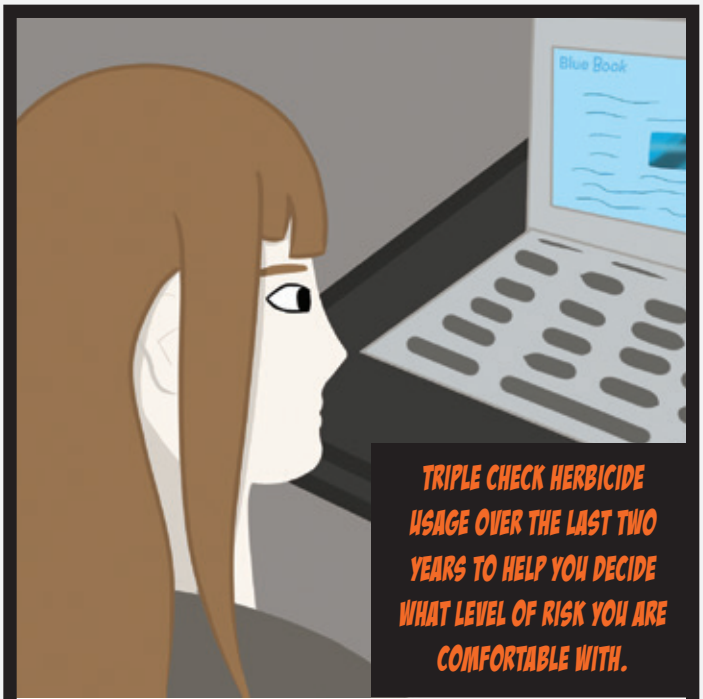
EPISODE 3: PLANNING FOR #PLANT22

YOU'RE RIGHT LUCY – FARMERS ARE TRYING TO JUGGLE ALL THESE ISSUES AND ARE INCREASINGLY UNDER SCRUTINY FROM POLICY-MAKERS AND OUR CONSUMERS. I'VE BEEN LEARNING THAT IT HELPS TO DRAW CIRCLES AROUND WHAT WE CAN AND CAN'T CONTROL. LET'S START WITH THAT.

WE CAN'T MANAGE WHAT WE DON'T MEASURE AND THIS YEAR HOW WE SOIL SAMPLE IS IMPORTANT – CHECK OUT THE APG APP FOR USEFUL INFO. IT WILL START US OFF ON THE RIGHT FOOT.





TRIPLE CHECK HERBICIDE USAGE OVER THE LAST TWO YEARS TO HELP YOU DECIDE WHAT LEVEL OF RISK YOU ARE COMFORTABLE WITH.

THANKS, BUCKWHEAT. THERE'S SO MUCH NOISE SURROUNDING EVERYTHING NOW THAT IT REALLY IS HELPFUL TO SIFT THROUGH THINGS WITH A FRIEND.
